

# Baby It's You

## Behindtupfers

It's not the way you smile  
That touches my heart  
It's not the way you kiss  
That tears me apart  
Many, many, many nights go by  
I sit alone at home I cry over you  
What can I do, can't help myself  
'Cause baby it's you  
You should hear what they say about you  
They say you've never, never, never been true, oh oh  
Doesn't matter what they say  
I'm gonna love you any old way  
What can I do  
When it's true  
Don't want nobody  
'Cause baby it's you  
Many, many, many nights go by  
I sit alone at home I cry over you  
What can I do, can't help myself  
'Cause baby it's you
