

# Son of May

## Subvision

Underneath the growing endless slabs of clay  
Calculating to destroy another prey  
This world is yours one day  
Son of May  
Son of May - Son

Heir apperent to a seat among the wise  
Among the commons you are never to suffice  
Their world is your devise  
Son of May  
Son of May - Son

I want to know  
What do you see?  
What you see when you look in  
Through me?  
Inherit this world  
And carry my eyes  
And my utter despise

In times of trouble and the enemies to face  
Go find your shelter in our secular haze  
Evaporize the trace  
Son of May  
Son of May - Son

Underneath the growing endless slabs of clay  
Calculating to destroy another prey  
This world is yours...  
Son of May  
Son of May - Son

I want to know  
What do you see?  
What do you see when you look in  
Through me?  
Inherit this world  
And carry my eyes  
And my utter despise

I want to know  
What do you see?  
What do you see when you look in  
Through me?  
Inherit this world  
But carry my eyes  
And my utter despise
