Heartbroken (Wawa Mix)

T2

Sitting here at home
Thinking 'bout you all alone
Wondering where it all went wrong
Got a confession to make,
Since you made me happier
Now all I can do is hurt
When you left you took my heart
Got a confession to make[Chorus: x4]
I'm heartbroken (without your love)
I'm heartbroken (yes, I've had enough)
I'm heartbroken
I don't know what to say
I've never felt this wayWe had something so true
I realized I meant nothing to you
I guess you thought I was your fool
Got a confession to make,
Now I realize the truth
I don't want anything to do with you
It's just the way I was attracted to you
Got a confession to make[Chorus: x4]
