

# Believer

Christina Milian

Life is what you make it  
At least that's what they say  
Well, I think I'm gonna make it  
Fulfill my dreams one day I feel this fire growing  
Deep inside of me  
I'm so inspired knowing  
That it's my destiny I breathe like a champion  
I dream I'm a champion  
I see I'm a champion  
It's meant to be My will's getting stronger  
I can't wait any longer  
I'm singing a song  
That's inside of me 'Cause I'm a believer  
I know that I can make it  
No matter what they say So I'm a believer  
The future is now  
It starts today I keep my head up  
Believer Everyday I'm waiting  
Trying to find the patience  
So close, I can taste it  
But sometimes it's so hard But I'm gonna keep on pushing  
And I'm gonna keep on fighting  
And I'm gonna keep on trying  
Because I come too far I breathe like a champion  
I dream I'm a champion  
I see I'm a champion  
It's meant to be My will's getting stronger  
I can't wait any longer  
I'm singing a song  
That's inside of me 'Cause I'm a believer  
I know that I can make it  
No matter what they say I'm a believer  
The future is now  
It starts today The future is now  
It starts today
