

Mind Your Manners (feat. Icona Pop)

Chiddy Bang

Babaababba

There is no one like me, there there is no one like me (Chiddy Bang) like me.

Ma-Ma-Manners, take a second look and you'll see, (Yeah were pretty much amazing) There is no one like me
(yeah)

There is no one like me (mind your manners) like me, there is no one like

And all the peoples should be raising their glasses

Flow crazy celebrating the madness

I never thought I would deliver no classics

But then hooked up with them and then deliver more classics

Yeah I be keeping it true hotel good as long as I can be with you

Like, like damn how high are we

You gotta gamble in this life Charles Barkley

I'm over protected, through the dopest of methods

Now like over perfected this is audio breakfast

Yes so tell a hater here's the slammer

I know they hating on us but mind your manners

Manners take a second look and you'll see

There is no one like me

Th-th-there is no one like me (mind your manners)

Manners you better reconsider cause you will never do better

There is no one like me, like me (there's no one like one)

(see this is etiquette right here)

Why won't you go and own it

And we don't got the spirits

At least we could coron it

Order something homie

I be sipping tycoo and you get the wrong number if I don't like you

Say I'm the man tell me why I gotta lie too?

Anybody I'm the best, girl let me advise you

Why? Because I'm feeling invisible
Jr. high school I had a crush on the principle
