No Ordinary Love

Chris Botti

This is no ordinary love, no ordinary love
This is no ordinary love, no ordinary loveThis is no ordinary love, no ordinary love
This is no ordinary love, no ordinary loveNo ordinary love
This is no ordinary love, no ordinary loveThis is no ordinary love, no ordinary love
This is no ordinary loveI keep crying for you
I keep trying for you
I keep dying for you
I'm fallingI keep crying for you
I keep trying for you
I keep dying for you
