

Lessons In Love (All Day, All Night)

Neon Trees

When you walk my way
I feel a rush come over me
A sharp panic panic
It's the things you say
That makes a rush come over me
It happens all the time
I never was too good at following rules (na na)
I'm better just pretending I was a fool All day, all night
I got the lights in my eyes
And I'm falling for you
Keep cool, stay tough
But that's never enough
And these are the lessons in love
All day, all night
I got the lights in my eyes
And I'm falling for you
Keep cool, stay young
I'm just having my fun
With the lessons in love If I walk away
I feel a push inside of me
That won't let me leave
But what could I say
For you to feel what's inside of me
This happens all the time
I never was too good at following rules (na na)
I'm better just pretending I was the fool (hear me out) All day, all night
I got the lights in my eyes
And I'm falling for you
Keep cool, stay tough
But that's never enough
And these are the lessons in love
All day, all night
I got the lights in my eyes
And I'm falling for you
Keep cool, stay young
I'm just having my fun
With the lessons in love
