

# I Don't Want to Be a Princess

[John Debney](#)

Every thing seems very big  
And i'm feeling unstudy  
Mum says i'll be just fine  
But i don't think I'm ready  
New school, new friends, new family  
And a ball where they want me to dance  
I'm just a little girl from a small small town  
In this world I dont stand a chance  
I'm not ready to be a princess  
I don't have what it takes  
I'm too short for gowns  
I look bad in crowns  
And i'm gonna make bidzillion mistakes  
I'm too average to be a princess  
I respectfully refuse  
I don't know the rules  
I don't want the jewels  
And these feets were made for comfortable shoes  
the other part i couldn't translate it sorry
