

Night Time Is the Right Time

Etta James

You know the night time, is the right time
To be with the one you love
Oh baby, come on babe, come on baby
You the one I'm thinking of
You know the night time
Ooh, ooh, is the right time
To be with the one you love
I said, be with the one you love
You know my mother, she [Incomprehensible]
And my father [Incomprehensible]
Oh baby, oh baby now, come on baby
I want you to be my lover
Oh, and keep me satisfied
You know the night time
Everyday is the right time
To be with the one you love
Oh, be with the one you love
Baby, baby, baby, oh baby, now
You know I love you
Place no one above you
Hold me tight, make everything alright
Because you know the night time
Everyday is the right time
To be with the one you love
Well, it's alright
Squeeze me, squeeze me, squeeze me, baby
Oh, don't leave me, I want you to hold my hand
Oh, baby, and I don't need, I don't need no other man
Because you know the night time
Oh, is the right time
To be with the one you love
Be with the one you love
You know the night time
Oh, is the right time
To be with the one you love
Oh, yeah, baby
Oh baby, now, hey, hey, baby
To be with the one you love, oh, it's alright
You know the night time

Is the right time
To be with the one you love
Oh, yes it is
