

Pretty Blue Eyes

[Eric Clapton](#)

Left alone to cry
While he goes out singing
And she don't see why
A wedding bell ain't ringingLeft alone to cry
While he goes out rocking
And she can't see why
It ain't her he's sockingBye, bye, goodbye
Pretty blue eyes
Bye, bye, goodbye
Pretty blue eyesLeft alone to cry
Life don't seem worth living
I stand to say goodbye
Done enough forgiving
