

# World Of Chances

[Demi Lovato](#)

You've got a face for a smile you know  
A shame you waste it when you're breaking me slowly  
But I've got a world of chances for you  
I've got a world of chances for you  
I've got a world of chances, chances that you're burning through  
I've got a paper and pen  
I go to write you goodbye and that's when I know  
I've got a world of chances for you  
I've got a world of chances for you  
I've got a world of chances, chances that you're burning through  
Oh, I'm going my own way, my faith has lost its strength again  
  
Oh, it's been too hard to say, we've fallen off the edge again  
We're at the end, we're at the end  
Maybe you'll call me someday  
Hear the operator say the number's no good  
And that she had a world of chances for you  
She had a world of chances for you  
She had a world of chances, chances you were burning through  
Chances you were burning through, chances you were burning through  
You've got a face for a smile you know
