## Killa

## **Cherish**

Yo Joc, yeah?

I don't think they ready for this one

Cherish, they make me wanna lose control

Yeah, you know who it is, Joc DarkchildI'm in a white beater two seater cruise control

Pull up and your girl might lose control

Not playa circle but a duffel bag boy

Guarantee they can't get enough of that boySaw him from a distance

And I watch him make his way to the bar

He walked up to me slowly, whispers

And he says, "I know who you are

I wanna get to know you"I can tell he was playa

But he knows just how to make ya

Lose control, somehow I knewShawty is a killa but I really want him

And I gotta have him tonight

Shawty heart breaker but it really don't matter

'Cause I really want him tonightThe way he licks his lips

I'm in a infatuated state of mind, oh, yeah

He's so hard to resist

I gotta tell you baby boy, you're so fine

Just gotta have you, oh, yeahI can tell he was playa

But he knows just how to make ya

Lose control

If you only knew that Shawty is a killa but I really want him

And I gotta have him tonight

Shawty heart breaker but it really don't matter

'Cause I really want him tonightShawty is a killa but I really want him

And I gotta have him tonight

Shawty heart breaker but it really don't matter

'Cause I really want him tonightOh, it feels so wrong that it must, it must be right

And I'm so high don't wanna come down

Just let me flyAye, aye, let me talk to um

My whips push button, no car keys man

Pop the top like a sardine can

Wrist stay fluttered like New Orleans man

Labron can't stop, I'll be ballin' manYeah, I'm pretty sure that you heard the rumors

Gotta a big big cohuna

I'ma pretty slick like Rick Da Rulla

Keep one eye open, my hand on that rudeI Rock Da Cladio, my shades gazel

I break hearts, I heartbreak hotels

I treat yo chick like a pair of ones

Wear ha out one good time and shawtyShawty is a killa but I really want him

And I gotta have him tonight

Shawty heart breaker but it really don't matter

'Cause I really want him tonightShawty is a killa but I really want him

And I gotta have him tonight

Shawty heart breaker but it really don't matter

'Cause I really want him tonight
