David Guetta

Sometimes I wonder
Where you're gone, where you've been
Where you're gone, where you've been
Where you're gone, where you've been....[Chorus- Beat - David Guetta]Sometimes I wonder
where you're gone, where you've been
Sometimes I wonder
where you're gone, where you've been
Sometimes I wonder
where you're gone, where you've been
Sometimes I wonder
where you're gone, where you've been
