Worried Man

Johnny Cash & Willie Nelson

Worried man, worried man.
I'm a very worried man.
Hungry babies don't understand,
Papa is a worried man.
Papa is a worried man.The place I used to draw my pay,
Slammed the door on me today.
Told me just to stay away,
And don't come back again.
Well, I went back home to break the news,
My woman saw that I had the blues.
She said the babies need new shoes.
Now, I'm a worried man.Worried man, a worried man.
I'm a very worried man.
Hungry babies don't understand,
Papa is a worried man.
Papa is a worried man.There is no way that I can see,
That I can feed my family.
I don't own a money tree.
I don't own no land.But I said, "Mamma, don't you cry,
I'll get a job before the day goes by.
I don't know where and that is why,
I'm a worried man.
Worried man, oh, worried man.
I'm a very worried man.
Hungry babies don't understand,
Papa is a worried man.
Papa is a worried man.
Papa is a worried man.
