

# PARTY

## Girls' Generation

English Translation:

Hey girls

Do you know what time it is?

It must be party time

Here we go! It's summer in here, turn the radio on

My favorite song is playing

Hey turn it up

This hot rhythm, drive where it takes you

Into the dazzling summer oh oh Follow the wind that blows through the window

Right now Yeah Yeah Yeah Yeah Yeah

Singing Yeah Yeah Yeah Yeah Yeah

Make your voices louder and louder

Follow the sound of the waves and run here we go We can't stop stop stop

It's Party time here

Keep it going, party time

It's a party

We gon rock rock rock

Make it electric

Tonight

P A R T Y P A R T Y Lemon soju, tequila for me, mojito for you

Let's go to Jeju, California, Rome

Let's go to a white pearly beach with great waves

Finito

P A R T Y P A R T Y We love summer

Forget how you were busily running before

Hey turn it up The blue sky is so perfect

Colored on top of the water oh oh

Before the bright summer is over

All together Yeah Yeah Yeah Yeah Yeah

Singing Yeah Yeah Yeah Yeah Yeah

My excited heart goes higher and higher

Hurry and raise your glasses, a shot here we go We can't stop stop stop

It's Party time here

Keep it going, party time

It's a party

We gon rock rock rock

Make it electric

Tonight

P A R T Y P A R T Y Lemon soju, tequila for me, mojito for you

Let's go to Jeju, California, Rome  
Let's go to a white pearly beach with great waves  
Finito  
P A R T Y P A R T Y The sunrise that will call us  
Even if it comes, we can't stop  
The party time continues  
Go on and on and on all night We can't stop stop stop  
It's Party time here  
Keep it going, party time  
It's a party  
We gon rock rock rock  
Make it electric  
Tonight  
P A R T Y P A R T Y Lemon soju, tequila for me, mojito for you  
Let's go to Jeju, California, Rome  
Let's go to a white pearly beach with great waves  
Finito
