

Miss Camaraderie

Azealia Banks

Be around to ride with Miss Camaraderie

A sight to see, a sound

What is you with Rottweiler

I'mma let you

Ayo hound, be mild, oh listen lord

I mean, I might've seen, I swore

I saw ya looking, looking all at me

Admiring Amor....

Be idol in my heart, oh be inspiring and more

What kind of wizard? Wh-what a dream!?

A night, a scene, a town, a ride with Miss Camaraderie

An odyssey, oh, wow! Say what?

What is you with Rottweil(er)

I'mma let you, in my house Politer High Society

Attire, tea, a style, look how ya looking, looking now!

Let me see you, see you smile a smiler's sweetest smile

Oh mister wider, me oh wow!

Look how ya looking look wow wow, let me get you

It's the sound, the hip in, hip in, now let me hip you

Hip you hound, get down and get tied up in twine, I'll twist you

Bitch, you found Politer pistol

Pistol Pal

Bitch you out

Bitch you out

Be around to ride with Miss Camaraderie

An Odyssey, a sound

What

I've been looking for someone, Sir

I'd've sworn you

Were a match on my journey for

My Amor too

Ayo hound, be mild, oh listen lord

I mean, I might've seen, I swore

I saw ya looking, looking all at me

Admiring Amor

Be idol in my heart, oh be inspiring and more

Hip you hound, get down and get tied up in twine, I'll twist you
Twist you, pal, how can I get you
Get you out

Ayo hound, be mild, oh listen lord
I mean, I might've seen, I swore
