

Hot, Hot, Hot

Backstreet Boys

Excuse can I have your attention
there's something I would like to say
The way that your body moves is crazy
drives me insane You lick your lips and got me whishin'
could I be your fantasy
the thought of you and me together
it's like a dream to me
yeah yeah You got me runnin' for cover,
lookin' over my shoulder,
jumpin' in an ice cold bath,
thinkin' of something entirely different
other than your fine (ass).
You got me lookin' for the exit,
cause there's no way to fake this.
You've got me trippin' and falling all over myself. Cause you're so (hot)
Cause you're so (hot)
Cause you're so (hot)
Cause you're so (hot)
Cause you're so (hot)
Cause you're so (hot)
Cause you're so (hot) .

You're the desert I'd like to taste.
I know I don't know that much about you,
but I think I'm in love with you, babe. You got me runnin' for cover,
lookin' over my shoulder,
jumpin' in an ice cold bath,
thinkin' of something entirely different
other than your fine (ass).
