Golden State

Planet Asia

Don't mean a thing if it ain't got that
Follow the leader flow, midget jumping up my top at
I'm going hood, going platinum in the projects
Diamond at the neighborhood, liquor store
Passport, ... dough, the passion and pope
Ask about acrobatable show, mechanical
Mathematical, my back telling it
Back on my element, that settles it
To peoples played out you never did
Classic ill niggas my claw
Fall back before the bread I was bred to be the boss
Talk right in exact
Freedom of death minus the word that wisdom reflect
This ain't the checks
These are the words that I manifest
It goes yes yes y'all,
30000 dollars Remy bottles staring at me
Nigga let's ball, god will never be a mystery, you feel me?
Cause in the heavens and the earth it always was forever will be
I came to wake you up, the shit is fake as fuck
Fools is breaking up, cause they ain't caking up
All it takes is a little faith
Before you blow dough you better off invest in some real estate
Stacking and just wait couple much you'll be great
Same as a nigga holding weight
Ain't no joking when it's ...
This is life in the golden state
Only thing women respect is dollars
Even the ... scholars
Bunch of evil visions as baby mamas
... like piranhas, renegade wander
They end up choosing with honors
I'm just a ... best known for throwing...
Fast get it twisted with my first ship but I was in training
I'm just a thug but that's...
back it up and distribute the product from the crackhouse...
Splashing with more fashion and fare facts... tropical airmax
I'm not the one to share my snacks
These labels gotta pay me a racks, because the belt is black

And for the fact the fans never felt me slack
Honestly, it's nothing I lack
Now it's fucking with that, got hundreds of these up in the hat
It's like back to black phantoms and a couple axe
I came to wake you up, the shit is fake as fuck
Fools is breaking up, cause they ain't caking up
All it takes is a little faith
Before you blow dough you better off invest in some real estate
Stacking and just wait couple much you'll be great
Same as a nigga holding weight
Ain't no joking when it's ...
I keep a soldier face,
This is life in the golden state.
