

# Nothing to Say

## Galactic Cowboys

zero was a hotshot a dozen years ago  
so opinionated he'd give 'em all a show  
heart attached to his sleeve by silverplated cords  
million dollar moonbeams and billion dollar words  
LATELY THERE'S BEEN NOTHING TO SAY  
SEEMS LIKE THERE'S NOTHING TO SAY  
WHY IS THERE NOTHING TO SAY?no one paid attention to what he had to say  
doubt and apprehension, his loss was no one's gain  
so he set his sights on money all that mattered was the green  
'til all of the excitement had turned to apathy  
LATELY THERE'S BEEN NOTHING TO SAYcaught a glimpse  
of heaven like needles in the eye  
more than undeserving it begs the question, why?NOTHING TO SAY
