Sofia

Isidoro Pilsen

If I should leave and never return
Lite a candle and let it burn
'Cause light transcends time
And when it's raining on the avenue
A wind will blow me back to you
This time it's for real
Come home, Sofia
If you see a light just off the road
A line of footsteps in the snow
Don't stop, you're almost home
Knock three times and ring the bell
You'll hear a voice you knew so well
It takes you from the cold
Come home, Sofia
She's floating up to outer space
And this time it's for real
When I look back it comes to me
Love is a symphony and
She and God are one
