Rich Girl

Everclear

[Chorus]
You're rich girl, and you've gone too far
Cause you know it don't matter anyway
You can rely on the old man's money [Repeat x2]

Its a bitch girl, but its gone too far
Cause you know it don't matter anyway
Say money, but it wont get you too far
Get you too far

Don't you know, don't you know
That its wrong to take what is given you
So far gone, on your own

You can get along if you try to be strong
But you'll never be strong cause

[Chorus]

Its a bitch girl, and its gone too far
Cause you know it don't matter anyway
Say money, but it wont get you too far
Get you too far

High and dry, out of the rain
Its so easy to hurt others when you cant feel pain
And don't you know that a love cant grow
Cause theres too much to give, cause you'd rather live
For the thrill of it all, oh

[Chorus]

Its a bitch girl, but its gone too far
Cause you know it don't matter anyway
Say money, but it wont get you too far

Say money, but it wont get you too far
Say money, but it wont get you too far
Get you too far

And you say
You can rely on the old man's money
You can rely on the old man's money
You're a rich girl, a rich girl

Oh, you're a rich, rich girl, yeah
Say money but it wont get you too far
Oh, get ya too far
