

It Takes Three

Ricky Skaggs & Sharon White

LORD, I love this women in the presence of Your Spirit.
Make our commitment strong so we should never fear it.
Teach me how to listen, give me right words when I speak.
And when faced with strong temptation, lift me higher onto Thee.'Cause it takes three, it takes three,
LORD, it takes YOU and her and me.
It takes three, it takes three,
it takes three to make love,
LORD, it takes three.LORD, I love this man you have given me.
Let me be a channel of strength and love from Thee.
Teach me how to honor what You've bestowed upon my heart.
Fill us with Your love, LORD, so we'll never want to part.
'Cause it takes three, it takes three,
LORD, it takes YOU and him and me.
It takes three, it takes three,
it takes three to make love,
LORD, it takes three.
