

Still

Lasgo

Time goes by still I care for you
Love can be tough, cannot deny it
I have learned and all thanks to you
You give and you take, there's no way around it
I may not know the things I should say
Know that my heart is in the right place
Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do
Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do
Can't rewind the times I've hurt you
I was so wrong, I learned it the hard way
I may not know the things I should do
Know that my heart is in the right place
Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do
Do you still feel the way I do?
Do you still feel the way I do?
I have to know can you forgive me?
I know that we can make it right
If you still feel the way I do
