

Intro

Slum Village

We come to [Incomprehensible]
While you're playin' in your play pen
We ain't playin', play on playboy
It's fantastic, it's fantastic, it's fantastic We say, fan-tas-a-ro'
You say huh, what, ya know it's that, ay' go
This is for y'all to dance to it slow 'cause, it's fantastic
It's fantastic, it's fantastic What, what, what, what
Slum Village, Slum Village, Slum Village
Slum Village, Slum Village, Slum Village
