

# Silent Shouts

## Adna

Teach me how to leave myself to you  
Teach me how to become your truth  
I tell you that you keep me upright  
Oh, oh, oh Save me from the shame that fills my chest  
Save me by leaving my heart to rest  
Once it's broken, it will never heal  
So teach me how to become your truth Visible tears and silent shouts  
I know how you feel, I only dream  
Oh-oh, oh-oh, oh-oh  
Make me heal, let me leap  
Unto the field and, oh, you'd been real And then in dreams, you'd always get so close  
But, oh, so, so far away  
Then I'd do my best to reach my hand to you  
But never as fast as a truth
