

Stay For Them

Phazer

Would you like it?

Would you like it?

I was born like you were

I can see like you do

My blood is thick like yours

This rain can fall on me

And also can fall on you

I can see my friends wet

What about them?

Stay for them!

Stay for them!

Stay for them!

I'm lucky to stay more time

Whoâ€™s around suffers more than them

But they know their cutting end

When they smile, I see the tear

You could never know this pain

Unless you suffer it in your skin

What about them?

Stay for them!

Stay for them!

Stay for them!

Oh, they may choose

The way they want

To spend their time

Oh, maybe alone

Lightsome pain

One more day

Them,

Stay for them!

Stay for them!

Stay for them!
I can see the eyes, the hearts,
The soul and the rare feel
I can see my own, my true, my lie, missing over me
What about, what a thing, what now, Can I feel, can I do,
Can I stay, can I pray,
Time is missing over,
Time is missing over me

What about the missing joy,
What about the day I live
Our time is running fast,
I remember what you say

Friend Iâ€™m afraid.
Now, could you stay?
Can you keep my
last breath of life?

Stay For, Stay For, Stay For,
Stay For, Stay For, Stay For
Stay For, Stay Forâ€

You gotta, you gotta stay!!!!
