

# Waiting For the Thunder

## Halloween

Sometimes I'm tough and bold  
Just sometimes I am frightened  
Sometimes I'm dull and cold  
But sometimes so enlightened  
I made some old mistakes but still did what I wanted  
Sometimes the right you turned into wrong  
I did it again  
I don't give a damn

Here I am  
Waiting for the thunder  
Waiting for the pain  
Waiting for the rain you're bringing  
Here I go  
Waiting for the thunder  
I am not a saint  
Put on your war paint  
And kill me

Sometimes I have to leave  
Knowing sometimes I got stranded  
Sometimes I want to fight  
Though many times I was branded  
Whatever life may bring I just try to keep my head up  
Sometimes you have no choice but to kill  
A man as I am  
I don't give a damn

Here I am  
Waiting for the thunder  
Waiting for the fate  
I am not afraid to face you  
Here I go  
Waiting for the thunder  
Waiting for the flame  
Play your lousy game and kill me  
And kill me  
And kill me  
Come and kill me

Come and kill me right now

Here I am  
Waiting for the thunder  
Waiting for the pain  
Waiting for the rain you're bringing

Here I go  
Waiting for the thunder

I am not a saint  
Put on your war paint  
And kill me

Here I am  
Waiting for the thudner  
Waiting for the fate  
I am not afraid to face you

Here I go  
Waiting for the thunder  
Waiting for the flame  
Play your lousy game and kill me
