

# Chasing Cars

Eoghan Quigg

We'll do it all  
Everything  
On our ownWe don't need  
Anything  
Or anyoneIf I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?I don't quite know  
How to say  
How I feelThose three words  
Are said too much  
They're not enoughIf I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into lifeLet's waste time  
Chasing cars  
Around our headsI need your grace  
To remind me  
To find my ownIf I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into lifeAll that I am  
All that I ever was  
Is here in your perfect eyes  
They're all I can seeI don't know where  
Confused about how as well  
Just know that these things  
Will never change for us at allIf I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?
