Sunshine

Mimes On Rollercoasters

I met a little ray of sunshine, to help me through my darkest days.
I met a little ray of sunshine, to carry me on my way.
She carries me on my way.

That little girl is on my mind, all I think about, all of the time.
I donâ€™t have a dollar, not even a dime.
But I donâ€™t care, cause everythingâ€™s fine.

I met a little ray of sunshine, to help me through my longest nights.
I met a little ray of sunshine, you know she makes me feel all right.
She makes me feel all right.

That little girl is on my mind, all I think about, all of the time.
I donâ€™t have a dollar, not even a dime.
But I donâ€™t care, cause everythingâ€™s fine.

I met a little ray of sunshine, I hope she doesnâ€™t go away.
I met a little ray of sunshine, cause I really love a sunny day.
I love a sunny babe.

That little girl is on my mind, all I think about, all of the time.
I donâ€™t have a dollar, not even a dime.
But I donâ€™t care, cause everythingâ€™s fine.

That little girl is on my mind, all I think about, all of the time.
I donâ€™t have a dollar, not even a dime.
But I donâ€™t care, cause everythingâ€™s fine.
