Tumbo Tumbo

Boybreed

She play me like, tumbo tumbo
Like tumbo tumbo
Only with guys I don't know
Nemesis go follow
She play me like, tumbo tumbo
Like tumbo tumbo
Only with guys I don't know
Nemesis go follow
Look all the things you do to me
All me friends them laughing me
After me I don spend money
You say them other guys better company
Use to say that you'll kill for me
Now your time you kill honey,
You better stop all your games, now they ain't funny
You only stick around when money is coming
Wow
See I know what you come for
Still I tell her make she come through
I just can't ignore you
Buhh when you get another chance you go fumble
Eyeee
The weather don change now, everything don change now
Buhh deep down I still want you, I still need you.
Baby why you play me like,
Tumbo tumbo
Like tumbo tumbo
Only with guys I don't know
Nemesis go follow,
She play me like tumbo tumbo
Like tumbo tumbo
Only with guys I don't know
Nemesis go follow
so me tell her make she sunbalaga,
Balaga, baby sunbalaga,
Balaga, buhh me no want palava palava
saleaaaa(palava), saleaaaa(palava) aaaah aaaah aaaah aaaah
So baby tumbalaga,
Balaga, baby sunbalaga,

Balaga, buhh me no want palava palava
saleaaaa(palava), saleaaaa(palava) aaah aaah
But don't lie to me anymore.
You say you wan stay, when you wanna go.
l've seen enough text on ya telephone.
For your mind shaa you think say I no go know
It's OK, the girl ah wan do me play play
eyaaaa, no way the thing ee ya do to me na fail.
I know I love her, and everytime she do me wrong thing I discover
Now its over baby, I know I love her aah aah
But everytime she ah not around, me look up her number,
And still I call her baby
She play me like, tumbo tumbo
Like tumbo tumbo.
Only with guys I don't know,
Nemesis go follow.
She play me like, tumbo tumbo
Like tumbo, tumbo
Only with guys I don't know
Nemesis go follow
so me tell her make she sunbalaga,
Balaga, baby sunbalaga,
Balaga, buhh me no want palava palava
saleaaaa(palava), saleaaaa(palava) aaaah aaaah aaaah aaaah
So baby tumbalaga
Balaga, baby sunbalaga
Balaga, buhh me no want palava palava
saleaaaa(palava), saleaaaa(palava) aaah aaah.
