I Think I'm Fallin'

Dominique

Fallin'
Out in the world showin' my
Bare skin
I feel the heat and I start runnin'
I taste the pressure and it's all I think about
Woah-oh, like there's no way out
Ooh ooh ooh ooh, ooh-ooh
I think I'm better now
Ooh ooh ooh ooh, ooh-ooh
I think I'm fallin'
Both feet flat on the floor
Diving head first into the deepest part of the core
I can't stop moving but my feet are flat on the floor
Try to get through it, try to keep from breaking down
Oh-Oh
I think I'm fallin'
(Ooh ooh ooh ooh, ooh-ooh)
All together now
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm fallin'
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm ready now
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm fallin'
Trust me
I would be fine if I was
Trusting
of my own process but I still need
to bite the bullet and to keep from breaking down
Woah-oh to find my way out
Ooh ooh ooh ooh, ooh-ooh
I think I'm better now
Ooh ooh ooh ooh, ooh-ooh
I think I'm fallin'
Both feet flat on the floor
Diving head first into the deepest part of the core
I can't stop moving but my feet are flat on the floor
Try to get through it, try to keep from breaking down
Oh-Oh

I think I'm fallin'
(Ooh ooh ooh ooh, ooh-ooh)
All together now
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm fallin'
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm ready now
(Ooh ooh ooh ooh, ooh-ooh)
I think I'm fallin'
