

# Exhibit A

## Boogie Down Productions

One two, rap music, what does it mean?  
What is everybody in this industry for?  
    What is everybody, buying rap for?  
Why do people get involved in rap music? Rap music, number one  
    Is the voice of black people, number one  
Number two, it's the last voice of black people  
    Black people have created every music  
    You hear out here in the streets today  
Every single music, rock and roll down Therefore in a situation that has all African music in it  
    All African music, uhh, exploiting itself of it or coming out of it  
    All African influence in all it's music  
And you have what is called American Music Awards You have what is called theft  
    And what I would like to bring out today is rap music  
As, a revolutionary tool in changing the structure of racist America
