

# Shadows On Your Side (2010 Remaster)

## Duran Duran

Shackled and raised for a shining crowd  
They want you to speak but the music is louder than all of their roar  
With the heat off the planet's core But the shadows are on your side as soon as the lights go down  
In the darkest place you can find you belong to the hands of the night Promises made with a distant friend  
Truth should be known it can only bend to a tune of it's own  
Hey you'll never hear that voice again  
Scandal in white on a tangled vine  
With everybody to say that your having the time of your life  
When your life is on the slide  
But the shadows are on your side as soon as the lights go down  
In the darkest place you can find you belong to the hands of the night  
Shadows are on your side as soon as the lights go down  
In the darkest place you can find you belong to the hands of the night Ah, ah  
Ah, ah  
Spinning a compass to choose your way  
You can run you can dive you can stand and you can soar  
Whichever way you can be sure
