I'm Going Down

Rose Royce

Time on my hands since you've been away boy
I ain't got no plans no, no, no, no
And the sound of the rain, against my window pain
Is slowly, slowly driving me insaneBoy, I'm going down
I'm going down

'Cause you ain't around, baby
My whole world's upside downSleep don't come easy, boy, please believe me
Since you've been gone, everything's going wrong

Why'd you have to say goodbye?

Look what you've done to me

I can't stop these tears from falling from my eyes, oh babyI'm going down
I'm going down

'Cause you ain't around, baby
My whole world's upside downYou ain't around going down
Ooh, baby I'm in love
Going down ooh yeahI, I, I'm going down

I'm going down

'Cause you ain't around, baby

My whole worlds upside downGoing down, going down

Ooh, babe don't want believe

If I can't give my love to you

I'm so blueGoing down, going down

'Cause you ain't around baby, baby

Sorry, sorry, sorry, what did I do wrong?

Please forgive me, baby, and come on home Going down, going down, going down
