

Vampire (2002 - Remaster)

Peter Tosh

unnu old vampire
you don't like to see youths prosper
only like to see youths suffer
unnu set of vampire unnu old vampire
only trod upon creation
with your bloody meditation
unnu set of vampire unnu fight against upfullness
unnu fight against creation
unnu fight against
everything good for the younger generation unnu old vampire
do unnu wickedness at midnight
and unnu humble when it's daylight
unnu set of vampire unnu old vampire
only like to see blood running
but true you know it's fire bunnin'
unnu set of vampire now unnu fight against upfullness
fight against creation
fight against everything good for the younger generation unnu old vampire
only trod upon creation
sucking the blood of the nation
unnu set of vampire unnu old vampire
unnu drink up the old wine
have no place for the new mind
unnu set of vampire unnu fight against morality
you fight against integrity
fight against everything good for the younger generation unnu old vampire
only trod upon creation
with your bloody meditation
unnu set of vampire unnu old vampire
do unnu wickedness at midnight
and unnu humble when it's daylight
unnu set of vampire unnu old vampire sunnu grieve their brnk? Lord unnu fire burial unnu hypocrite the world,
God unnu old vampire
do unnu wickedness every night
and unnu humble when daylight
unnu old...
