

Ghetto Love

Macy Gray

Advisory - the following lyrics contain explicit language:

Lately, I been high stepping
I've got a lover who is ghetto for real
Take me to movies and he's carrying steel
Lord of the corner, king of the block
Lacing his lady with chinchillas and rocks
And he's all I, oh, I want in my world Ghetto love
(G H E T T O, G H E T T O)
We get high together
(G H E T T O, G H E T T O) Lately I been high stepping
Lord of my body, king of my heart
Gangster by day, Hennessey passion by dark
They try to beat us but they can't We don't give a fuck
They try to beat us but they can't
We don't give a fuck
And he's all I, I want in my world Ghetto love
(G H E T T O, G H E T T O)
We get high together
(G H E T T O, G H E T T O)
Ghetto love I never worry when he's gone till November
He taught me how to keep my hands on the trigger (G H E T T O, G H E T T O, G H E T T O)
We get high together
Ghetto love
We get high
They say is name is with chinchillas and rocks
Ghetto love (G H E T T O, G H E T T O, G H E T T O)
They try to beat us but they can't
We don't give a fuck
Ghetto love
Yeah, I want in my world (G H E T T O, G H E T T O)
Ghetto love
Yeah, I want in my world
Ghetto love
