

Gotta Get Through This

Daniel Bedingfield

If only I could get through this
(I just gotta get through this, I just gotta get through this)
If only I could get through this
(I just gotta get through this, I just gotta get through this) I gotta get through this, I gotta get through this
I gotta make, gotta make, gotta make it through
Said I'm gonna get through this
I'm gonna get through this
I gotta take, gotta take my mind off of you Give me just a second and I'll be all right
Surely one more moment couldn't break my heart
Give me 'til tomorrow then it'll be okay
Just another day and then I'll hold you tight When your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you?
I pretend that you're already mine and
That my heart ain't breaking every time
I look into your eyes If only I could get through this
If only I could get through this
If only I could get through this
God, God, gotta help me get through this I gotta get through this
I gotta get through this
I gotta make, gotta make it, gotta make it through
Said I'm gonna get through this
I gonna get through this
I gotta take, gotta take my mind off of you Give me just a second and I'll be all right
Surely one more moment couldn't break my heart
Give me til tomorrow then it'll be okay
Just another day and then I'll hold you tight When your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you
I pretend that you're already mine and
That my heart ain't breaking every time
I look into your eyes If only I could get through this
If only I could get through this
