

# Absolute Dissent

## Killing Joke

Absolute dissent  
I won't relent  
Absolute dissent  
I won't relent I oppose poison water  
I reject poison air  
I expose poison bodies  
I refuse complicity And I reject this prison planet  
And I reject and resent Absolute dissent  
I won't relent  
Absolute dissent  
I won't relent  
I abhor space weaponization  
Genocidal plans  
From Jeckle Island to Chemtrails  
Unelected control And I reject this poison planet  
And I reject and resent Absolute dissent  
I won't relent  
Absolute dissent  
I won't relent Brainwashed masses fit for fodder  
Useless eaters, condemn  
Eradicate the worthless breeders  
And I oppose, resist, foment And I reject this poison planet  
And I reject and resent  
Absolute dissent  
I won't relent  
Absolute dissent  
I won't relent Absolute dissent  
I won't relent  
Absolute dissent  
I won't relent
