

Whoever's In New England

[Reba McEntire](#)

You spend an awful lot of time in Massachusetts
Seems like every other week you've got a meeting waiting there
Business must be booming or could something else
Be moving in the air up there You say that its important for our future
An executive on his way up has got to play the part
Each time duty calls you got to give it all
You've got with all your heart When whoever's in New England is through with you
And Boston finds better things to do
You know its not too late 'cause you'll always have a place to come back to
When whoever's in New England's through with you I hear the winter time up north can last forever
I've been told its beautiful to see this time of year
They say the snow can blind you till the world you left behind
Just disappears I hear I've packed your bags and left them in the hallway
But before you leave again there's just one thing you outta know
When the icy winds blow through you remember that its me
Who feels the cold most of all When whoever's in New England is through with you
And Boston finds better things to do
You know its not too late and you'll always have a place to come back to
When whoever's in New England's through with you
