Breathing you in when I want you out,
Finding our truth in a hope of doubt,
Lying inside our quiet drama.

Wearing your heart like a stolen dream,
Opening skies with your broken keys,
No one can blind us any longer.

We'll run where lights won't chase us,
Hide where love can save us,
I will never let you go.

We'll run where lights won't chase us,
Hide where love can save us,
I will never let you go.
