

# I Rolled a Nickel

**Doug Macleod**

I rolled a nickel, come up on a dime.  
I rolled a nickel, and I come up on a dime.  
Then I rolled a dollar, lost the true love of my time.

I rolled a day, boys I rolled in the night.  
I rolled a day, and boys I rolled in the night.  
I kept on rollin' till that good girl left my life.

She come back tomorrow, I make right what I do wrong.  
Yeah she come back tomorrow, I make right what all I done wrong.  
But my tomorrow is in yesterday and yesterday is gone.

I rolled a nickel, come up on a dime.  
I rolled a nickel, come up on a dime.  
Then I rolled a dollar, lost the true love of my time.
