

# All My Only Dreams

## The wonders

Every night I pray  
I'll have you here someday  
I'll count the stars tonight  
And hope with all my might And when I close my eyes  
You'll be right by my side  
If I could only have one wish  
You'd be the girl whose lips I'd kiss  
All my only dreams And when I close my eyes  
You'll be right by my side  
If I could have just one request  
Stay with me, girl, I confess  
All my only dreams Any waking hour, it seems  
I only have you in my dreams So every night I'll pray  
I'll have you here one day  
I'll count the stars tonight  
And hope with all my might That when I close my eyes  
You'll be right by my side  
If I could have just one request  
Stay with me, girl, I confess  
All my only dreams
