Sleep Is Rong (Finally)

Sleepytime Gorilla Museum

Writhing in the old bliss
Never forget this
Reeling in the sweet grip
Never let this slip
Your eyes are yours to close
Never let go Sleep is wrong
"Do not go gently
Into that good night
Rage against the
Dying of the light"
Your eyes are yours to close
Never let go Sleep is wrong
When I grow up I'm never gonna sleep
When I grow up I'm never gonna cry
When I go out I'm never coming home
When I grow up I'm never gonna die
