Baby Girl

InnerVoices

There are times when I look in your eyes
I see the love that we shared
I see the joy inside
But I didnâ€™t see the feelings you hide
And now youâ€™re saying goodbye
Cause your love has died

And all I can think about is you
The way say you love me too
And every time I close my eyes
I see your face,
My love can never be erased
And you can never be replaced, baby...

-Chorus-
Baby girl
Why donâ€™t u come back to me
Why donâ€™t u love me any more
Baby girl
You know I still care for you
You know that I will love u forever more

o00oooo o0ooo00o whoaaaahooohooo

There are times when I kiss you good night
I feel the love we shared
I feel the joy inside
But I didnâ€™t feel what you tried to hide
And now youâ€™re
Saying goodbye cause your feeling has died...

And all I can think about is you
The way you say you love me too...
And every time I close my eyes I see your face,
My love can never be erased and you can
Never be replaced, baby

-Chorus-

Baby girl

Why donâ€™t you come back to me
Why donâ€™t you love me any more
Baby girl
You know I still care for you
You know that I will love you forever more

Baby girl
Why donâ€™t you come back to me
Why donâ€™t you love me any more
Baby girl
You know I still care for you
You know that I will love you forever more

And all I can think about is you
The way u say u love me too...
And every time I close my eyes I see your face,
My love can never be erased and you can
Never be replaced, baby

-Chorus-

Baby girl
Why donâ€™t you come back to me
Why donâ€™t you love me any more
Baby girl
You know I still care for you
You know that I will love you forever more

Baby girl
Why donâ€™t you come back to me
Why donâ€™t you love me any more
Baby girl
You know I still care for you
You know that I will love you forever more
