

I've Got The Fire (First Japanese Tour)

Iron Maiden

(Ronnie Montrose)

(Original by Montrose, on album Paper Money)If you're looking for someone that you can keep
then, baby, pass me by
And if you wanted something that's twenty years deep
Baby, don't even try
And if you wanted someone to take your soul
I'll lift you up little bit higherI've got the fire
I've got the fireSOLOSo you think I'm skinny, don't you sell me cheap
I'm as wide as a country-mile
Some like it wide, I like it deep
Guess which one is my style
So you think you can beat me by my own game
Maybe I call you a liarI've got the fire
I've got the fire
