

# Teardrops

Elena Paparizou

Teardrops will fall because of you  
teardrops will fall for only you.  
I want you so  
oh  
you'll never know how much I need you.  
Teardrops will fall if you don't need me  
Teardrops will fall  
oh  
please believe me.  
I want you so  
oh  
you'll never know how much I need you.  
As long as there's a moon above  
There will be the two of us.  
If you and I were meant to be  
Tell me you love me and I'll be your only.  
Teardrops will fall  
  
Don't run and hide  
Teardrops will fall  
Stay by my side.  
I want you so  
oh  
You'll never know how much I need you.  
As long as there's a moon above  
...  
Teardrops will fall  
oh  
teardrops will fall.  
Oh yeah  
teardrops will fall  
teardrops will fall.  
Tear  
tear will fall  
teardrops will fall.
