We Ain't Feeling Time

FKJ

You took me under
Never done growing up, no
Your smile is rarely there, now
I call them my precious now
Asking me where go from here
No, we ain't feeling the damn time
We ain't feeling the damn time, noYou give me faith to care
Angels spreading love
You smile and you can't prevent it
All of like coming from here
Have no clue where we go from here
From here from here from here
No we ain't We ain't feeling the damn time
We ain't feeling the damn time
[Instrumental]You took me under sure
Never done growing up
My smile is so rarely there now
I calling up precious like
Asking me where we go from here
No, we ain't feeling the damn time
We ain't feeling the damn time, no
You give me faith to care
Angels spreading love
You shine and you can't prevent it
All of light coming from above
Have no clue where we go from here
From here from here from here
No we ain't we ain't feeling the damn time
We ain't feeling the damn time
