

# Fairweather Johnson

## Hootie & The Blowfish

I like the steelers in '75  
I only like the broncos when they come alive  
Like the redskins in '83  
And when the dolphins are playn' well  
Well, yeah well they're the team for me 'Cause I'm Fairweather Johnson  
(Johnson)  
Yeah, yes I'm Fairweather Johnson  
(Johnson I like the braves in '95) Like the braves in '95
