

# I Walk the Line

## Alien Sex Fiend

I walk the line between good and evil  
This apple's rotten, rotten to the core  
Get up, get up, off your knees  
Get down, get down, on the floor!  
I walk the line  
I walk the line  
I walk the line  
Between good and evil  
My business is a little cloak and dagger  
I drink so much I don't walk I merely stagger!  
No you wouldn't listen & I don't blame you  
No I don't blame ya!  
I walk the line  
I walk the line  
I walk the line  
I walk the line  
Between good & evil  
My rent is 65 a day  
I can't move  
You know that's the price you pay  
Is life all in vain?  
Starts off in my arm  
Opens up my brain  
I'm already in the gutter -  
Next stop is the drain!  
I walk the line  
I walk the line  
I walk the line  
I walk the line  
Between good and evil  
Live fast, die young  
Live fast, die young  
I walk the line  
Evil  
I walk the line  
I walk the line  
I walk the line  
I walk the line  
Between good and evil

While others have been thinking about it - I've been there and back

I walk the line

I walk the line

I walk the line

I walk the line

Between good and evil
