

I Am the World

Bee Gees

I'm the sun, I'm the falling rain
I'm the kind of man you can't explain True love is one thing I've been dreaming of
I give my love to you and when I do
You are to me, the very deepest part of me I am the world
I am the sky
I am the sea
I'm anything that you want me to be When you hurt me, then I become the night time
The shadows in my eyes don't make it good for
Me to see the way I should I am the world
I am the sky
I am the sea
I'm anything that you want me to be I'm the sun, I'm the falling rain
I'm the kind of man that you can't explain I am the world
I am the world
